DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

Compendium of Flood Map Changes

AGENCY: Federal Emergency Management Agency (FEMA), Emergency Preparedness and Response Directorate, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice provides listings of changes made to National Flood Insurance Program (NFIP) maps effective during the first 6 months of 2003.

DATES: The listings include changes to NFIP maps that became effective January 1, 2003, through June 30, 2003.

FOR FURTHER INFORMATION CONTACT: Frederick H. Sharrocks, Jr., FEMA, 500 C Street S.W., Washington, DC 20472, (202) 646-2796.

SUPPLEMENTARY INFORMATION: In accordance with Section 1360(i) of the National Flood Insurance Reform Act of 1994, this notice is provided to inform interested parties of changes made by FEMA to NFIP maps. The two listings provided show communities affected by map changes made by letter and communities affected by physical map changes. For each Letter of Map Change, the first listing provides the map panel(s) affected, effective (determination) date of the change, case number, and determination type. For each physical map change, the Map Revision listing provides the map panel(s) affected and the effective date of the change. The listing also identifies: (1) those panels on which the Special Flood Hazard Areas have not been changed or have been changed only to incorporate the Letters of Map Change issued before the effective date; and (2) those panels for which a Flood Insurance Rate Map is produced for the first time, resulting only in changes to flood insurance and floodplain management requirements in the affected community. Future notices of changes to NFIP maps will be published approximately every 6 months.

Dated: August 8, 2003.

Anthony S. Lowe,
Mitigation Division Director, Emergency Preparedness and Response Directorate.

Two listings are provided below. The first listing includes all Letters of Map Change issued by FEMA from January 1 through June 30, 2003. The following types of letters are included in the listing:

Type	Description
01.....	Letter of Map Revision Based on Fill
02.....	Letter of Map Amendment
05.....	Letter of Map Revision With Base Flood Elevation Changes
06.....	Letter of Map Revision Without Base Flood Elevation Changes
08.....	Denial
12.....	Floodway Revision
17.....	Letter of Map Revision-Inadvertent Inclusion in Floodway
18.....	Letter of Map Revision-Inadvertent Inclusion in V Zone
19.....	Letter of Map Change Revalidation

The second listing includes map panels that FEMA physically revised and republished from January 1 through June 30, 2003. For those map panels on which the Special Flood Hazard Areas have not been changed or have been changed only to incorporate Letters of Map Change issued before the effective date, two asterisks(**) are shown to the right of the map panel number. For those map panels for which a Flood Insurance Rate Map is produced for the first time, resulting only in changes to flood insurance and floodplain management requirements in the affected community, three asterisks(***) are shown to the right of the map panel number.

For both listings, a single asterisk is shown to the right of each county name that appears in the "Community" column. This asterisk indicates the area covered is the unincorporated areas of that county.
